Helping to care for you when your GP practice is closed

If you need care when your GP practice is closed you may need to see a doctor or nurse who doesn't know you.

The Summary Care Record is an electronic copy of key information from the record held at your GP practice. It is available to healthcare staff treating you in an emergency situation and includes details of your medication, allergies and which medicines make you ill.

You can choose if you want a Summary Care Record or not:

For more information:

- ask a member of staff at your GP practice
- visit www.hscic.gov.uk/systems/scr
- call the Health and Social Care Information Centre on 0300 303 5678
