

NEW!

The Mountwood Health Station

Welcome to our brand new drop-in Health Station. This service was a top priority for those who generously donated to our Wish List Appeal. Our new and eager team of Health Information Advisors will be there to guide you to find information about an amazing range of health related issues- through books, leaflets and the Internet. They will also help those who are not good with computers.

HEALTH BOOKS ■ INTERNET ■ LEAFLETS ■ DVD/ CDs

We have a library of health books to loan out to patients, some relaxation CDs and pilates videos. We would also like to know what you want from this service in the future and look forward to hearing your suggestions

Come and explore!
